

# ENGLISH4FOOTBALLERS DIALOGUE INDEX

English4footballers introduces a new English as a Foreign Language (EFL) resource: dialogue scripts featuring a fictional team, Fulminster Rovers FC, navigating a tough season. The resource includes a graphic index of all dialogues, offering a contextual and engaging learning experience for learners. Suitable for intermediate to advanced students, the characters' dialogues reflect team dynamics, crisis management, and the emotional realities of football, using authentic terminology like "parking the bus" and "relegation battle." Immersion in this professional language helps students discuss tactics, deal with the media, and team communication, providing relevant vocabulary for elite sport careers by mirroring real-world, high-stakes challenges.

| Dialogue                             | Characters                    | Level        | Dialogue                                    | Characters                   | Level        |
|--------------------------------------|-------------------------------|--------------|---------------------------------------------|------------------------------|--------------|
